

OUR SERVICES

"We have designed our service proposition from the voice of our customers throughout our 30-year history, and we are always improving"

Everyone should have access to a range of services that both nurtures and supports the growth of their organisation.

Our multi-award-winning set of services do just that, and have been designed to offer a comprehensive service to empower employees at all levels.

Machine Servicing

Factory-trained engineers work to strict SLAs to keep your industrial machinery operational 24/7.

Equipment Supply

From high-tech sanitation innovations to kitchen towels and eco-friendly chemicals, we have a product for every need at outstanding value, with many being award-winning and sustainable.

Machine Hire

From vacuums to Industrial sweepers, hire for as long as you need and have your employees trained by our teams to give you complete confidence.

Circular Recycling

Need an end-of-life solution for your janitorial machinery? Use our circular recycling program for a cradle-to-grave solution and protect the environment.

Machine Sales

We are specialists in industrial machine sales and support. We will work with you to find the perfect machine for the job and survey the site for free.

Wessex Consulting

We will work with you to choose the best products for the application and give you free site surveys for equipment and machinery to give you the best chances of winning the contract.

Marketing Support

We give you access to free marketing support to perfectly position the products in front of your audience and ensure you have the best chance of winning.
